

**Traceability Charges: D3.02,****Gas Metrology****(w.e.f. 01.04.2021)**

Sl. No.	Parameter	Charges Rs.	Remarks, if any
1	Cost of Primary Reference Gas Mixture for Green House Gass (CH <sub>4</sub> , CO <sub>2</sub> ), (Two Component Mixture)	120000.00	per cylinder
2	Cost of Primary Reference Gas Mixture (PRGM) for Pollution/ Reactive gases (Two Component Mixture)	130000.00	per cylinder
3	Cost of Primary Reference Gas Mixture (PRGM) in Synthetic Air/ (Multi Component Mixture max 5 component)	150000.00	per cylinder
4	Cost of Primary Reference Gas Mixture (PRGM) for Stable gases / Synthetic Air	120000.00	per cylinder
5	Cost of Primary Reference Gas Mixture (PRGM) for Nitrogen with trace gases	150000.00	per cylinder

Note : These services are open to the users of standards for their own use only. These are not for the gas manufacturing Industries
